Best Hands

1. To qualify a player must show at least FULL HOUSE of Tens using both his pocket cards.
2. The best combination at the end of the promo time, will get the reward.
3. The player must have played for at least 2 hours at the end of the time limit.
4. The player must be seated until the end of the time limit, if the last cash game table (same blinds and same game) closes before the end of promo time, the player can't get reward. If the player is waiting to take the seat on a new table after his table was closed, the player can get reward.
5. If the player holding the Best Hand leaves the table before the end of the time limit and does not return before the time limit expires or within the maximum 30-minute absence permitted by the rules, he will forfeit eligibility for the Best Hand prize. However, his Best Hand will remain valid and will continue to be the hand that must be beaten in order for another player to win the prize.

6. Game must be active until the end of the time limit.
7. The player cannot leave the table for more than 30 minutes.
8. The table cannot be suspended for more than 30 minutes.
9. In case of “run it twice”, only the first board can qualify for “best hand” promo.
10. Best hand promo run for every kind of game.
11. A bomb pot hand can't qualify for the best hand promo.
12. If two or more players qualify with same best hand, they will split the prize.
